

Creative Care

Jeffersonville

January 2017

As we prepare for winter weather, please remember that we announce all early dismissals, closings and delays via email, Facebook, and

NBC10 <http://www.nbcphiladelphia.com/weather/school-closings/>

Please reply to the email if we are closing early so we know you are aware that early pick up is needed. For staffing purposes, it is essential that you notify us if your child is not coming during times of inclement weather. Many of our teachers have over a thirty minute commute in good weather and may choose to work at a Creative Care center closer to their home if they are not needed at Jeffersonville or Kidzone. Please be aware that Kidzone students may be in Jeffersonville preschool classrooms on days of

inclement weather, only if staffing requires it. We ask that you DO NOT call the centers to see if we are open or closing early as we need to keep the lines open so parents can let us know if they do not need care but email is the preferred method of communication in this case.

Email addresses and phone numbers are as follows:

Jeffersonville@creativecarechildcare.com
610-631-3300

In inclement weather, please walk in areas that are salted. **If you feel that our lots need attention, please notify any teacher.**

Parents should use the parent designated spots along the golf course or the three spots in front of the Older Toddler windows. We ask that you do not park in front of the center unless you are close to the ramp and this is a last resort only. Cars that are attempting to back up onto Main Street from the spots by the OT classroom and cars turning onto Main Street from School Lane cannot do so safely if parents park in front of the steps of Jeffersonville.

*****If your information has changed please let us know, for example your phone numbers. We would also like to receive an email we can reach you at. Thank you!

Reminder that we follow stars regulations for outside play, so please dress your children appropriately. If it snows the teachers may ask for

appropriate snow play clothes, so the children can go outside and experience the snow.

Center Changes

As of January we are pleased to announce that we will be transitioning our two's room into a preschool room, because most of that class is three years old. We will also be reopening the front room for our one year olds.

We will be CLOSED on January 2nd for the New's Years Holiday.

We will be CLOSED on February 20th for our President's Day staff in-service training.

The month of December was a great one. The children learned about the different holidays and were excited when Santa came to our school to visit.

Please check with your child's teacher for upcoming activities. Know that you are welcome to visit your child's classroom at any time.

Happy Birthday
