shirt, socks or anything else
you might like to turn into a
tie dye work of art!

**Wishing Everyone A
Happy and Prosperous
New Year!**

Another year has come and gone quicker than the blink of an eye! The kiddos are growing by the second and we cannot wait to watch them flourish this coming year. We just wanted to throw a couple of reminders out there as we transition into 2017.

- ⇒ The center closes at 6:30pm. If you believe you will be late, please call the center @ 484-368-3340 and let the staff members know. There will be a \$1 late fee charged per family for each minute late.
- ⇒ Please remember to check your parents mailbox in the hallway. Every Monday or Tuesday statements are handed out giving an up to date balance on accounts. The office also places any new forms that have expired and need to be updated in the your mailbox. Please stop by the office if you have questions or need copies of the new forms. We need to keep our files current in order to keep our DHS license.
- ⇒ Remember, each child needs to wash their hands when entering a classroom. We want to eliminate the possible spread of any germs, and we want to keep every child healthy during this cold and flu season. So to ensure that we maintain a healthy environment, **we ask that you take a few minutes to help your child wash their hands correctly.**
- ⇒ Tuition and copayments are due the MONDAY of that week of care. Admin stops in early Monday morning to collect all payments from the box. If payments are made after 9am, they will not be processed until the following week. A late fee will not be charged as long as payment is made by the end of the day Monday. **CCIS families need to pay their copays by Monday as well in order to not be reported to CCIS.** If you have any questions or concerns about payments PLEASE stop by the office and talk to a director as soon as possible.
